

MMCTV 

TV CAMP

for Middle Schoolers

JULY 12-14TH

This summer workshop by Mt. Mansfield Community Television is devoted to video production. It'll be a hands-on experience, as students improve their video and audio skills, and learn the basics of editing. They will work in small, intensive teams led by public access TV professionals. Campers will create short projects of their own to be shown on MMCTV and shared online.

Email Angelike at angelike@mmctv.org for more info. MMCTV will also hold a local history documentary workshop for middle schoolers at the Jericho Town Library, July 17th, 19th & 21st.
